

ENGLISH CREATIVE WRITING AND PUBLIC SPEAKING COURSE

**Develop 4 C's of 21st Century Skills:
Confidence, Clarity, Creativity, Critical thinking**

ABOUT

Lets Unbound is a STEM.org accredited platform that provides 21st Century skill courses to kids to explore their full potential and become the best version of themselves. Our courses are facilitated by top-selected mentors under the guidance of a strong pedigree from premium Indian and global institutes (Harvard, ESB Business School). Our students are currently located in over 22 countries across the globe. Our partnerships with institutions such as Arizona State University Prep Digital (USA), Harvard Student Agencies (USA), Sunday Education School (Canada), and the like have helped us reach many more students all over the world.

ABOUT PUBLIC SPEAKING COURSE

Lets Unbound is introducing a public speaking program for students to improve their communication skills and build confidence. The program provides mentorship, feedback, and ample opportunities to practice speaking before an audience, helping students develop into more compelling and confident speakers.

We teach essential 21st century skills to you.
